

General Consent for Limited Queries of the  
Federal Motor Carrier Safety Administration (FMCSA)  
Drug and Alcohol Clearinghouse

I, [print name] \_\_\_\_\_, hereby provide consent to University of Minnesota to conduct a Limited Query of the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse (Clearinghouse) to determine whether drug or alcohol violation information about me exists in the Clearinghouse. This consent permits University of Minnesota to conduct a Limited Query at any time, any number of times, for the duration of my employment as a driver.

I understand that if I refuse to provide consent for University of Minnesota to conduct Limited Queries of the Clearinghouse, University of Minnesota must remove me from performing all FMCSA safety-sensitive functions, including driving a commercial motor vehicle, in accordance with FMCSA's drug and alcohol regulations.

I further understand that if a Limited Query indicates that drug or alcohol violation information about me exists in the Clearinghouse, I will be required to authorize University of Minnesota to conduct a Full Query, in order to access that additional information. FMCSA requires that authorization to be electronic, which means I will have to go to the dashboard of my account on the Clearinghouse to grant that authorization. If I refuse to do that, or if I do not do it within 24 hours, FMCSA regulations require University of Minnesota to remove me from performing all safety-sensitive functions, including driving a Commercial Motor Vehicle.
